CONTACT LENS WEARERS
A contact lens is a medical device, and all contact lenses must be properly fitted and prescribed by an Eye Care Professional.
Your contact lens prescription is valid for 1 year, and requires an annual eye examination and annual contact lens health evaluation ($59) in order to be refilled. This $59 charge is typically not covered by any insurance plans, but is required to monitor your eye health and condition of your contact lenses.
It is my understanding that improper use and inadequate care of contact lenses prescribed for me can possible lead to eye irritation, infections, corneal injury and permanent vision loss. **Initial ____**
